FULL STACK DEVELOPER

I am a 20-year-old cross-platform application developer, recently graduated in Spain. Passionate about technology and innovation, I am seeking my first professional opportunity in Australia. My education has provided me with solid knowledge in programming, app design, and software development. I am eager to apply my skills, learn new technologies, and contribute effectively to challenging projects. I am ready to join a dynamic team and grow professionally in Australia's vibrant tech sector.

KEY COMPETENCIES

Hubspot	Python	Salesforce
CSS/HTML/JS	Wordpress	Proactive and self-motivated
Java	Excellent communication skills	Spanish and english

PROFESSIONAL EXPERIENCE

G4 MARKETING ONLINE (MADRID)   **2023 - 2024**
WEB DEVELOPER

As a Web Developer, I was responsible for translating client visions into functional websites, meticulously crafting each site from designs provided by our company's design team. I utilized HubSpot's web development tools, employing HTML, CSS, and JavaScript to ensure optimal site performance and user experience. Additionally, I contributed to our Big Data department by applying my Python skills for data analysis tasks. I also specialized in creating HTML and CSS templates for email automation campaigns and proficiently used Salesforce to enhance our marketing and sales strategies.

FREELANCE   **Since Jan 2024**

Web Developer & Social Media Manager

As a freelance web developer and social media manager, I have developed and maintained websites for various businesses, including law firms, restaurants, and fitness companies. I translated client requirements into functional, user-friendly websites, and managed social media accounts by creating engaging content and implementing strategies to boost online presence. My work has improved client visibility and customer engagement, demonstrating my versatility by effectively working with diverse industries and tailoring solutions to meet specific business needs.
